## Message from principal secretary [tte]

Management Educational Institutions should be committed to review their missions and operations based on the perspective of a changed-world-order and enhanced responsibilities for businesses and their management. It should offer unique and innovative academic programs in Management which are designed to enable the Management Students to assume Leadership Roles in Corporate, Social Enterprises and Non-Governmental Organizations or pursue their own entrepreneurial dreams. Each and every Business Institution should offer the programs which are based on trans-disciplinary approach. Before introducing the Curriculum for Management Students, the syllabus should be carefully selected, vetted and revisited regularly in synchronizing with the changing market dynamics based on “**Mark to Market**” approach.

With this end in view, BPIBS, with the best and customized Curriculum of Guru Gobind Singh Indraprastha University, is always adopting its best pedagogical system with the conducive and serenity atmosphere in the classrooms to enable the students to concentrate more on their subjects during teaching-learning sessions. The Management Students of BPIBS benefit from the research focus mainly on the core areas like HRM, Marketing, Finance, Retail Management, International Business, Entrepreneurship Development equipped with the Faculty Members having highly qualified, possessing extensive industry experience, published the Best Research Papers in peer-reviewed National and International Journals, developed case-studies and produced incisive articles/papers for National and International Conferences/Seminars/Workshops. Indeed the students of BPIBS are always well placed, when they walk out with Management Degrees.

I am pleased to note that BPIBS is publishing its Management Placement Brochure for its MBA Final Year Students. I wish them every success in all their endeavors.

**R.K. VERMA**

## Message from the director [tte]

Now it is the turn of VUCA World of changing. The acronym VUCA stands for Volatile, Unstable, Complex and Ambiguous. It is estimated that around three billion more people will be added to the Earth-Planet between today and 2050. Hence, it is the mammoth task of Global Business System to revisit and reinvent the whole Business Arena and there is likely to be a big shift in consumer spending through digital-age and revolution.

BPIBS, through its strategic plans, state-of-the-art infrastructure its tailor-made arms of curriculum besides the excellent fleet of Faculty Members impeccably mould its Management Students to enable them to counter the Volatility with Vision, Uncertainty with Understanding, Complexity with Clarity and finally Ambiguity with Agility. Indeed, BPIBS develops this outlook and various Skill-Sets to match the contemporary global business environment, though it is tricky and formidable to surpass.

I am quite delighted to note that BPIBS is publishing its Management Placement Brochure for its MBA Final Year Students which would act as a Mehdoot to propagate its events and achievements amongst the Trade and Industry. I further hope that this Management Brochure will also enable the Management Students to get their Best Placements for their future career. Let me grab this opportunity to wish them All-The-Best!

**V.P. RAO**

# About BPIBS

## Genesis

Bhai Parmanand Institute of Business Studies established as a unique Post-Graduate Management Institute promoted by Government of Delhi in 1986, is functioning under the aegis of Department of Training and Technical Education, Government of NCT of Delhi.

## Courses Offered

- ❖ Master of Business Administration [MBA]
- ❖ Master of Computer Applications [MCA]
- ❖ Bachelors of Business Administration [BBA-General]
- ❖ Diploma in Modern Office Practice –[ MOP-English /Hindi]

# About BPIBS

## **BPIBS-Institute with a Difference**

BPIBS has moved ahead on the path of success since its inception, and gained the reputation of an institute par excellence in the field of Management Education. It is amongst the brightest initiatives undertaken by Government of Delhi to promote Management Education at Post- Graduate Level. BPIBS has consistently been able to attract the best minds from the Top Scorers of COMMOM ENTRANCE TEST (CET) organized by GGSIP UNIVERSITY, DELHI. The best among candidates have always preferred BPIBS for its excellent legacy in producing true business minds capable of handling the most turbulent corporate challenges.

We, at BPIBS, groom, shape and nurture raw intelligence, turning it into pure business intellects through stringent pedagogy along with meticulous Training Programmes under the guidance of Highly qualified and richly experienced Academicians, Top Notch Professionals from the most reputed Business Organizations, Experts from respective fields, besides enabling Study Visits to various reputed industrial establishments/Units.

Our students not only excel in academics, but also have equally proved their competence in extra-curricular activities, Team Dynamics of Leadership Skills and Communication at college as well as University level.

BPIBS provides an opportunity to its students to explore beyond the borders and enrich their thought-process through a rigorous Academic Exercise, combining an exhaustive Curriculum and Cutting-edge Pedagogy. Besides this, a plethora of Live Projects, Special/Expert Lectures and Mentorship Programmess give the Would-Be-Managers at BPIBS a taste of application of theory in practice.

Our faculty members are involved in teaching as well as making pioneering research in Key Managerial areas. The institute, in its quest for Three-Sixty-Degree Excellence, has resorted to hiring the best brain in the industry, capable of instilling the most desirable and respectable traits of a Professional who can weather every storm that comes in his way.

The faculty of the institute is regularly mentoring the candidates to help them cope with the times and proactively plan their careers. At BPIBS, we continuously endeavor to create an environment wherein our students think long-term strategy and continuously seek out for opportunities.

Indeed, BPIBS has been rendering its yeomen services to the students' community who will lead the nation as one of the Best Economies in the World by providing all the educational inputs and creating opportunities to them in all directions under the Mentorship of Dr. (Mrs.) Amita Dev, Principal, so that they would equip themselves to find their right and best path to settle their life in future, in the best manner possible.

# About BPIBS

## **About the department of Management Studies**

In this emerging global competitive environment there is an utmost need for providing management discipline support to deserving students. The department of MBA Studies imparts high quality formal education in management through our comprehensive two year Full-Time MBA Programme. It is a matter of great satisfaction that MBA Department of Bhai Parmanand Institute of Business Studies continues to be one of the highly sought department for admission to its management programmes under GGSIP University. With immense pride and satisfaction, we wish to share that students of MBA Department have shown remarkable track records in the field of Academia. The course has been purposefully designed to be rigorous, demanding and fast paced so that students can be taken out of their comfort zones and they gain capability to stand firm on their ethical and professional values.

## **PEDAGOGY**

### **PROJECTS**

Departments in the polytechnics strives to find the best possible match between the company's needs and student's skills, experience and career interest. Projects help to match the void. Projects are submitted at end of Semester under the Mentorship of faculty members. Students are given the liberty to choose the topic of their interest but relevant to their respective specialization.

### **CASE STUDIES**

The curriculum designed for various diploma programmes is multi-disciplinary, innovative and highly responsive to contemporary development in the world of Technology and management. Students are trained to view engineering problems, business problems from multiple perspectives which enables the students to behave like a Technocrat who must access and analyse the information and make a judicious business decision.

### **TEAM ACTIVITIES**

The concept of team work is increasingly becoming important in the modern era of global business. Accordingly, the recruiting companies place great amount of emphasize on team skills of Polytechnic Students. We understand the importance of developing team building and group skills of individuals. Hence, sincere efforts are made to provide exposure to such team and group activities in almost all the lectures.

### **EXPERT LECTURE SERIES**

In addition to the regular curriculum, Polytechnics invites experts from industry, Banks and Corporate Sphere to deliver lectures on the latest and emerging trends of Engineering and Technology, Business, Economy, Retail and other relevant sectors. It goes in a long way to enrich student with the latest updates of the Technology. The students are bestowed with knowledge about industrial needs, latest Technical and Managerial updates.

# Infrastructure

## **Library**

The library services are provided to students, staff & faculty members for updating their knowledge and supporting the research and teaching / learning activities. There is a rich collection of books covering all aspects of Engineering and Technology, Management and other relevant disciplines . The Polytechnics also subscribe to National, International Journals, On-Line Journals/Books etc. from renowned Academic Institutions, Research Organizations, Government Departments etc to promote research and foster a culture of research and development in the institute. Most of the Libraries have been computerized with Bar-Code facility for easy access, issue and return.

## **Book bank facility**

All Polytechnics extends the Book Bank facility to its students hailing from the Economically Weaker Sections of the Society.

## **Digital classrooms**

The classrooms have been reshaped from traditional systems to Digital Mode with the State-of-the-Art facility including, Interactive Boards, LCD Projectors, Visualizers, Multi-Purpose Podiums to provide conducive teaching learning environment.

## **Networking**

Most of the Polytechnic Campus has been equipped with full-network facility with the provision to provide internet facility to staff and students using lease line/Wi-Fi Facility/Broadband connectivity

# Infrastructure

## **Computer centre**

All Polytechnics have fully air-conditioned well-equipped Computer Laboratories with the latest State-of-the-Art Desk Top Systems and peripherals. All the Computer Centers are equipped with the internet facility through dedicated Leased Line/Broadband connection. In addition to this, Computer Centers have been equipped with LCD Multimedia Projectors, Plasma TV, Large-Format Displays, Wireless Electronic Interactive Boards, Scanners, Visualizes, Multi-Purpose Podiums, Web Cameras, Desk-jets, Laser Printers and High Speed Printing and Automatic Multi-Purpose Copier/Office Machines, Servers with the Latest Licensed Software's.

## **The library**

BPIBS has got a well-stacked Digital Library with more than 33000 volumes of Books, Reference Materials, Subject-Oriented CDs/CBTs, Automated by e-GRANTALIYA Software with Bar Code facility incorporated with different Modules like Administration, Books Requisition, besides subscribing regularly to more than 30 Periodicals/Magazines related to Management and Technical subjects. The DELNET facility is also available in the Library with the help of which the Students and Faculty Members can access various Journals through on-line and the Institute has subscribed to more than thirty periodicals and 12 National and International Journals, besides Periodicals, Magazines, Newsletters etc. from various leading Research Institutions, Industry Associations, Government Departments like CSI, IETE, ISTD, ISTE, ICAWI, IFCAI, NHRD etc.

# Curriculum

## FIRST SEMESTER

- Fundamentals of IT
- Programming in C
- Discrete Mathematics
- Computer Organization
- Principles & Practices of Management
- General Proficiency – I  
(Personality Development and Communication Skills – I Course)

## THIRD SEMESTER

- Theory of Computation
- Computer Graphics
- Java Programming
- Data Communications and Networking
- C# Programming
- General Proficiency – III  
(Technical Paper Writing Course)

## FIFTH SEMESTER

- Linux Programming
- Software Testing
- Enterprise Computing with Java
- Multimedia Technologies
- Organizational Behavior
- General Proficiency – V  
( Intellectual Property Rights - Software Systems Oriented Course)

## SECOND SEMESTER

- Data and File Structures
- Object Oriented Programming in C++
- Operating Systems
- Database Management Systems
- Software Engineering
- General Proficiency – II  
(Personality Development and Communication Skills –II Course)

## FOURTH SEMESTER

- Design and Analysis of Algorithms
- Data Warehousing and Data Mining
- Advanced Computer Networks
- Object Oriented Analysis and Design
- Web Technologies
- General Proficiency – IV  
(Process Modeling Management Oriented Course)

## SIXTH SEMESTER

- Dissertation
- General Proficiency – VI (Seminar and Progress Report)

# Students Initiative

## ***Students Development Committee***

The Students Development Committee in each and every department has been set up in order to develop necessary skills among the students and to also to make students aware of the latest developments in the Global Corporate World. The Committee organizes presentations based on Case Studies, Seminars, Conferences, Workshops, Special/Expert Lectures, Industrial Visits and Study Tours from time to time

## ***Training & Placement Cell***

The Training and Placement Cell has been formed to help the students to get into globally renowned and reputed companies for Internship and for Final Job Selection. The students work under the respective Training and Placement Officer and interact with the HR Department of different companies, so that the students are able to get their Training and Placement offers as per their expectations.

## ***Sports & Cultural Club***

The Sports Club, Cultural Club and Eco-Club started off as a new initiative to showcase the latent talents of the students on various extra-curricular activities including awareness on Environment and Pollution. These Clubs essentially aim at organizing various Indoor and Outdoor Sports, Cultural Events, Quiz Programmes, Painting Competitions, Debates and Discussions, Essay Writing Competitions etc. to bring the students together and give a Platform of interaction with the Faculty on the issues other than studies, where the students can demonstrate their capabilities/skills in the Events of Dance, Sing, Play and rejuvenating.

## ***Corporate Communications***

The Corporate Communications Cell is an initiative of the MCA Program to have an exemplary Industry-Institute Interface with the Corporate World and to understand the challenges a Manager has to face in his day-to-day official activities. It has also organized Conclaves on critical issues of Business, Internal Lecture Series, and Business Case Competitions etc.

# Students Profile

HIMADRI  
22 YEARS

Summer Internship/Project : library management System, Research paper on pattern of defect when the size and complexity of software increases.

Courses: B.sc(H) Computer Science ( Shaheed Sukhdev College of Business Studies (University of Delhi)

Email id: himadrik19@gmail.com  
Mobile no : 9811302560

POOJA NEGI  
22 YEARS

Experience : 1yr Process Associate (Competent Software Pvt. Ltd)

Summer Internship/Project : project on Manets, olsr routing protocol

Courses: B.Sc Computer Science (ANDC - Delhi University)

Email id: pamnegi1004@gmail.com  
Mobile no. : 9718212199

SHILPA  
CHAUHAN  
22 YEARS

Summer Internship/Project : characterizing failures in mobile oses- a case study with android and Symbian, software engineering project on dtc bus pass system

Courses: - B.Sc (H) Computer Science (Shaheed Rajguru College of Applied Sciences for women Science-Delhi University)

Email id: shilpachauhan92@gmail.com  
Mobile no : 8527113285

DIKSHANT  
MARWAH  
23 YEARS

Summer Internship: HCL Infosystems (Oracle dept)

Certifications: Oracle Certified Java Programmer

Projects: Website for RSA Power Ltd, Analogue Clock (Core Java), Call Centre Management (.Net)

Courses: B.Sc. (University of Delhi), GNIIT (Software Engineering)

Email id: m.dikshant91@gmail.com  
Mobile no: 9711864985

HIMANSHU  
SACHDEVA  
22 YEARS

Summer Internship/Project: E-Shopping Website (gadgets store)

Courses: (BCA SGTBIM &IT - GGSIPU)

Email id: himanshu411@yahoo.com  
Mobile no: 9540620984

AKSHI JAIN  
22 YEARS

Summer Internship/Project: Detailed project report on 'clickstream analysis'

Courses: B.Sc(H) Computer Science (Indraprastha College-Delhi University)

Email id: akshijain199@gmail.com  
Mobile no : 9013438792

# Students Profile

SHIKHA AHUJA  
22 YEARS

Summer Internship/Project : library Management system(core java), 6 weeks training from Appin technology lab in embedded systems & robotics (level-1)  
Courses: B.Sc (H) electronics (Sri Venkateswara College - Delhi University)  
Email id: shikhaahuja505@gmail.com  
Mobile no. : 9971757889

ANKITA SHARMA  
22 YEARS

Summer Internship/Project : Computer and web based graphics and visualization"  
Courses: B.Sc (H) Computer Science (Shaheed Rajguru College of Applied Sciences for women Science-Delhi University)  
Email id: ankitasharmait20@gmail.com  
Mobile no. : 8800731838

ANKUR  
21 YEARS

Summer Internship/Project : Software engineering project on "online movie booking system", Research on "4g evolution"  
Courses: BSC (H) computer science from (College of Vocational studies - Delhi University)  
Email id: kankur941@yahoo.com  
Mobile no. : 8447207310

PRIYANKA ARORA  
22 YEARS

Summer Internship/Project: Software engineering project on bus ticket booking, Networking project on "behavioral study of issues and challenges in mobile adhoc networks", simple website on "commonwealth games in delhi" using html.  
Courses: Bsc(H) Computer Science (IP College- Delhi University)  
Email id: priyanka.arora1305@gmail.com  
Mobile no. : 9899809671

GARIMA GUPTA  
23 YEARS

Summer Internship/Project: 2 months training (NIIT Technologies- Gurgaon) Human Resource Management System  
Courses: B.Sc(Maharaja Agrasen College (University of Delhi)  
Email id: garima\_gupta18@yahoo.com  
Mobile no. : 9716406272

TANU  
22 YEARS

Summer Internship/Project : Banking Software (Software Engineering), Departmental Store (C++)  
Courses: B.Sc (H) Computer Science (Shaheed Sukhdev College of Business Studies - University of Delhi)  
Email id: tanus1209@gmail.com

# Placement Process

## **Placement Activities**

With time and experience BPIBS has successfully evolved a multi-pronged strategically approach towards placements where a team of faculty headed by a Placement Officer dedicatedly work round-the-clock to avail best profiles for BPIBS students.

At the next level, the Institute has a Team of Students from MCA Program that continuously organize events and other such activities that help in establishing healthy relations with Corporate World, while assisting faculty to bring best companies to the campus.

## **Internship Program**

As a compulsory part of curriculum, every student of MCA Program is required to undergo Internship with an organization for a period of 6 months. The primary purpose served by this training are –

- Equipping our students with real time problem solving skill by exposing them to rigors of real time corporate environment.
- Practical application of text book knowledge integrating theory into practice.
- Giving glimpse of Corporate Culture, Team Dynamics, Leadership Skills and Technical Skills to our students.

The motive behind the internship is that, having handled a live problem, students come out of training as a molded person with much more matured knowledge of understanding and equipping themselves to learn as to how the management works and what are the tactical and strategic challenges faced by the Engineers of the present globalized scenario.

## **Placement Talk (PPT)**

The pre-placement talks provide opportunity for the students to have knowledge about the company, kind of profile it offers and the career growth path available. Here, company representatives interact with the students entertaining their doubts and students also get to know the working style and his own compatibility with the company.

# Placement Committee

## Placement Guidelines

- Companies are requested to contact the TPO of the respective Department and complete all pre-requisite formalities.
- A date of mutual convenience will be decided for PPT, campus recruitment and laterals.
